

ROSNEFT

ENERGY FOR GROWTH

OJSC ROSNEFT

20-07-2010

We the boards of directors of OJSC OIL COMPANY ROSNEFT do hereby confirm to your esteem company that we are ready under penalty of perjury and legal responsibility to supply your captioned goods. Due to the rampant scams that are taking place in Crude Oil Exportation in Russian Federation. The Ministry of Justice in the Russian Federation has enacted a Law that requires all Electronic Document Transmissions to the obtaining of transaction code by Public Notary in the Russian Federation. Under this current government law, all Commercial Electronic Document Transmissions are to be rendered legal and binding only if they are legal.

In view of the above, the board of Directors of OJSC OIL COMPANY ROSNEFT will submit signed and seal draft contract copies of the above mentioned contract to MOSCOW CHAMBERS for the obtaining of transaction code. The Contract to in cured by buyer and total amount to be paid by buyer side is (67,500 EURO) the payment is expected to borne by the buyer, buyer will take care of the responsibility of the transportation to the discharged port of the buyer distinction, refinery. We promise to initiate the bank to bank process due diligence and compliance procedures. A proof of product will be sent by our bank to your bank in the due process to concur with international standards of crude oil trade. We anticipate your cooperation.

Yours Sincerely,

Viktor Ploskina

Head of Sales Department of OJSC COMPANY ROSNEFT
